REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Specifically, Examiner agrees with Applicant, that none of the prior art of record discloses the combination of the limitations presented including the dividers rising above the contact surface and used for filling in the gap between the connector substrate and the female connector substrate, said dividers increase stability of the connection according to the specification.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
